

Documents & materials relating to an open session agenda item that are provided to the SYMVCD Board less than 72 hours prior to a regular meeting will be available for public inspection. Please contact the District Office at 530 674-5456 or [kvalencia@sutter-yubamvcd.org](mailto:kvalencia@sutter-yubamvcd.org)

## SUTTER-YUBA MOSQUITO & VECTOR CONTROL DISTRICT AGENDA

701 Bogue Road, Yuba City, CA. (530) 674-5456  
Thursday, June 13, 2024, 4:30 P.M.

1. Call to Order
2. Pledge of Allegiance
- motion 3. Emergency Agenda Items
- motion 4. Consent Agenda:  
The Consent Calendar groups together those items which are considered noncontroversial or for which prior policy direction has been given to staff and that requires only routine action by the Board. The Chair will advise the audience that the matters may be adopted in total by one motion; however, the Board may, at its option or upon request of a member of the public, consider any matter separately.
  - A. Minutes of May 9, 2024
  - B. Bills for May 2024
  - C. Merit increase for Joe Songer, Field Foreman: Songer is being recommended for a salary increase effective June 1, 2024. The salary increase will be from step 9 to step 10 of Field Foreman in the salary range schedule.
  - D. Merit increase for Darrell Jew, Fisheries Specialist: Jew is being recommended for a salary increase effective June 1, 2024. The salary increase will be from step 8 to step 9 of Fisheries Specialist in the salary range schedule.
5. Personnel Committee Report: Having met with employee representatives prior to the Board meeting, the Personnel Committee will present a recommendation to the Board regarding personnel requests for the 2024-2025 fiscal year.
- motion 6. Approval of Employee Salary/Benefits Requests for Fiscal Year 2024-2025.
- motion 7. Preliminary Budget Approval for Fiscal Year 2024-2025: The preliminary budget will be discussed/approved by the Board.
- motion 8. Resolution 06-13-24: Resolution of the Board of Trustees of the Sutter-Yuba Mosquito & Vector Control District Determining and Levying an Assessment for Fiscal Year 2024-2025 Against All Taxable Parcels of Land Within the Meridian Area of the District to Pay for the Costs of Vector Surveillance and Control on those Lands.
- motion 9. Resolution 06-13-24A: Resolution of the Board of Trustees of the Sutter-Yuba Mosquito & Vector Control District Recognizing Additional Duties and Responsibilities for Vector Ecologist, Michael Samay While a Vacancy Exists at the Entomologist Position and Approving a Temporary Salary Increase.
- motion 10. Resolution 06-13-24B: Resolution of the Board of Trustees in Grateful Recognition of Mervin Hunt for 36 Years of Service to the Sutter-Yuba Mosquito & Vector Control District
- motion 11. Renewal of Non-Owned Aircraft Liability Insurance: This one-year policy would provide additional liability coverage for the District's aerial contractors.
- motion 12. Closed Session: Public Employee Appointment, Title: District General Foreman. (Government Code Section 54957)
- motion 13. Appointment of District General Foreman: As per District Personnel Rules section 5.05, Department Head Appointment, Board concurrence is required for the appointment of a general foreman to become effective on July 1, 2024. The position is subject to a six-month probationary period.
14. Public Comments
15. Manager Comments: The manager will report on the following:
  - a) West Nile virus activity.
  - b) Mosquito trap counts.
  - c) Surveillance of neglected swimming pools.
  - d) District activities.
16. Trustee Comments
- motion 17. Adjournment

*If you are a disabled person and need a disability-related modification or accommodation to participate in this meeting, please contact the District at (530) 674-5456 or by fax at (530) 674-5534. Requests must be made as early as possible and at least 72 hours prior to the meeting to enable the District to make reasonable arrangements and ensure accessibility.*

## MAY 09, 2024 MINUTES

The regular meeting of the Sutter-Yuba Mosquito & Vector Control District Board of Trustees was called to order by Board President Schmidl at 4:30 P.M., Thursday, May 09, 2024.

**PRESENT:** President Schmidl, Secretary Sanbrook, Trustees Ghag, Guzman, Kirchner, and Link

**ABSENT:** None

**ALSO PRESENT:** Manager Abshier, General Foreman Hunt

**EMERGENCY AGENDA ITEMS:** Sutter County has gone live with a new broad-scale financial system called Workday. Abshier advised Board action is needed to sign onto an agreement with the Sutter County Auditor's office in order for them to process our claims for bills and payroll. A motion was made by Schmidl and seconded by Link adding emergency agenda item 3a to consider signing the Sutter County Auditor's office Workday program agreement. The motion was approved by a unanimous vote.

Board approval is needed to sign the Workday agreement. Workday is the new system that Sutter County uses to account for the District's revenue. The District must sign on to receive access to monthly and quarterly reports, and to make claims for bills and payroll. A motion was made by Link and seconded by Ghag approving the Workday agreement with the Sutter County Auditor's office.

### **CONSENT AGENDA:**

A. Minutes of April 11, 2024

B. Bills for April 2024

C. Merit increase for Kayla Valencia, Administrative Manager. Valencia is being recommended for a salary increase effective May 1, 2024. The salary increase will be from step 5 to step 6 Administrative Manager in the salary range schedule.

A motion was made by Ghag and seconded by Kirchner approving the consent agenda. The motion was approved by a unanimous vote.

**RESOLUTION 05-09-24: REQUEST FOR THE 2nd INSTALLMENT OF YUBA COUNTY TAXES:** A motion was made by Guzman and seconded Link approving Resolution 05-09-24. The motion was approved by a unanimous vote.

**PUBLIC COMMENTS:** None

**MANAGER COMMENTS:** Five counties have detected West Nile Virus activity in California for 2024. Alameda, Contra Costa, San Diego, San Mateo, and Santa Clara counties have each reported WNV positive dead birds. A total of 14 dead birds have been reported YTD compared to two at this time last year. Additionally, Alameda County has reported one mosquito pool positive for WNV.

New Jersey Light Trap counts are low and below our 10-year average. The disease week 19 graph shows a slight uptick in *Culex pipiens* numbers over this time last year. *Culex tarsalis*, our primary vector of West Nile Virus and *Anopheles freeborni*, the late season rice field mosquito and major nuisance mosquito numbers remain low.

Abshier also noted:

- Fog routes will begin as justified by trap data, town routes typically begin just before the Fourth of July. Agriculture area routes and aircraft missions normally begin a little earlier in June.
- The VCJPA Member Contingency Fund balance as of March 31, 2024, is \$306,013.
- Erik Blosser, District Entomologist has given a 30-day notice of resignation. He will be taking a position with CDPH Vector Borne Disease Section starting in June. Mr. Blosser began working with the District in April of 2020. We will be sad to see him go. Blosser advised he has enjoyed his time here, but the new position at CDPH will allow for working remotely and less time spent traveling. Vector Ecologist Zach Samay will take over the

entomology leadership duties in the interim. Mr. Samay has been the Vector Ecologist working alongside Blosser for two years and can handle all entomological duties that need to be performed. Abshier suggested a temporary 10% salary increase to the Vector Ecologist salary, June 1 through October 31, as we have not experienced a vacancy at the outset of a season. Samay will have additional duties above those in his job description and is agreeable to taking them on this season. Abshier will draft a resolution for Board consideration at the June meeting. Abshier added, he is planning to fill the vacant entomologist position this fall or the spring of next year.

- Historically, two Board members have met with employee representatives, prior to the June Board meeting, to discuss personnel requests for the upcoming 2024-2025 fiscal year budget. Link suggested a meeting with employee representatives one week prior to the Board meeting to discuss requests and see if any additional information needs to be obtained. Trustees Link and Kirchner volunteered to meet with employees. The regular meeting with employee reps will be one hour before the regular Board meeting, on Thursday, June 13th to hear employee requests. The Board directed Abshier to request COLAs and salary ranges from other mosquito districts rather than local government agencies. Previously the comparisons used did not match District jobs (i.e. teachers and police). Health insurance costs and other benefits for FY 2024-2025 were also requested.
- BidCal Auction results. The John Deere tractor and the Rears Manufacturing flail mower were purchased in May of 2002 for a combined total of \$20,820. The tractor alone sold for \$16,250. The total for all surplus items sold is \$17,071. After a \$1,618 commission (9.5%), total proceeds from the surplus items is \$15,452.
- A half page ad highlighting our green pool surveillance program and backyard sources will run in the Territorial Dispatch on May 24, 2024.
- A half page Appeal-Democrat ad highlighting our green pool surveillance program, backyard sources and mosquitofish is set to appear in the May 25, 2024, weekender edition.
- The green pool surveillance flight is slated for late May.
- The April 25<sup>th</sup> MVCAC Spring Meeting topics included the operating budget and plans for the annual conference in 2025 to be held in Oakland. Abshier is the MVCAC president elect.
- One seasonal employee will test with CDPH on May 16, 2024.
- Seasonal staff began work on May 1, 2024.
- Staff are inspecting spring sources, river areas, waste tires, catch basins, and preparing equipment for the spray season.
- Radio advertisement proofs have been received; they are ready for airing in early-June.
- Staff is busy training several new seasonal/summer employees.
- Next month the preliminary budget will be presented.
- Most of the summer staff will begin work by May 20, 2024.
- Former Marysville Mayor Ricky Samoya is expected to be approved for the Board's vacant Marysville representative position.
- Trustees Schmidl and Guzman are due for Harassment and Ethics training.

**TRUSTEE COMMENTS:** Trustee Guzman advised that his wife was appointed Principal at Wheatland Elementary School, additionally Guzman was appointed to the Vice Principal position at Bear River School. Mr. Guzman noted the new position may limit his ability to remain on the Board due to time conflicts associated with his new position. The Board suggested Guzman may possibly remain on the Board by participating remotely when necessary.

**ADJOURNMENT:** There being no further business, a motion was made by Sanbrook and seconded by Guzman to adjourn the meeting. The motion was approved by a unanimous vote. Board President Schmidl adjourned the meeting.

---

John Sanbrook, Board Secretary

**PRELIMINARY BUDGET SUMMARY  
2024-2025**

**1. SALARIES & BENEFITS**

The Salaries & Benefits portion of the preliminary budget for fiscal year 2024-2025 reflects a 4.88% increase, or \$120,255 higher than the approved budget for fiscal year 2023-2024. The increase can be attributed in part to including a 4% COLA for permanent employees. To remain competitive in attracting employees to our summer positions, starting pay will increase to \$20/hour, commencing January 1, 2025. The projected contribution to the defined benefit plan came in relatively low at \$12,333. Our budgeted health insurance cost decreased by \$27,000, as we are still reaping the savings with the new plan through the end of the calendar year. To be prepared for potential increased health insurance costs on January 1, 2025, a 10% increase has been included. This budget accounts for the staffing changes at entomology, and for a new general foreman, and plans to promote a field supervisor.

**2. SERVICES & SUPPLIES**

The Services and Supplies portion of the preliminary budget for fiscal year 2024-2025 reflects a 5.09% increase, or \$99,811 over the approved budget for fiscal year 2023-2024. This budget provides for an increase in the application rate and total number of acres of rice to be treated by air with larvicides. To address the mosquito surge we routinely experience in August, this budget provides for doubling the number of aerial applications for adult mosquito control for three weeks at that time. This season, all of the residential areas in Yuba City and Marysville will be included in our town fogging program. Additionally, increasing pesticide costs, professional services, transit advertising, and insurance costs can also be attributed to the increase.

**3. FIXED ASSETS**

The Fixed Assets portion of the preliminary budget for fiscal year 2024-2025 reflects a 26.3% decrease or \$77,250 lower than the approved budget for fiscal year 2023-2024. The budget will cover costs to replace the handicap ramp at the office and have an exclusion product installed around the solar panel arrays to deter birds from roosting there. Also included are three, ½ ton 2WD pickups and three new adult mosquito foggers.

**Structures & Grounds**

1. Ramp at Office	\$4,500
2. Solar Panel Exclusion	<u>\$3,000</u>
<b>Total Structures and Grounds</b>	<b>\$7,500</b>

**Equipment**

1. 3 new ½ ton 2WD pickups	\$129,000
2. Adult Mosquito Foggers (3)	<u>\$80,000</u>
<b>Total Equipment</b>	<b>\$209,000</b>

**Total Fixed Assets 2024-2025** **\$216,500**

**4. TOTAL EXPENDITURES**

The total budgeted District expenditures for fiscal year 2024-2025 indicate an increase of 3.02% or \$142,816 over the approved budget for fiscal year 2023-2024.

**5. SUMMARY**

Total revenues for fiscal year 2024-2025 are anticipated to be around \$4,950,000, about 2% higher than projected FY 2023-2024 revenue; and sufficient to cover the \$4,871,691 budget for fiscal year 2024-2025.

**6. RESERVES**

Reserves will be set in the Forecasted Reserves Implementation Plan at the September Board meeting.

**RESOLUTION NO. 06-13-24**

**RESOLUTION OF THE BOARD OF TRUSTEES OF THE  
SUTTER-YUBA MOSQUITO & VECTOR CONTROL DISTRICT  
DETERMINING AND LEVYING AN ASSESSMENT FOR  
FISCAL YEAR 2024-2025 AGAINST ALL TAXABLE PARCELS  
OF LAND WITHIN THE MERIDIAN AREA OF THE DISTRICT  
TO PAY FOR THE COSTS OF VECTOR SURVEILLANCE AND CONTROL  
OF MOSQUITOES ON THOSE LANDS**

**WHEREAS**, the Board of Trustees of the **SUTTER-YUBA MOSQUITO & VECTOR CONTROL DISTRICT** (hereinafter **THE BOARD**) has previously adopted Resolution No. 08-08-96, which established an assessment against all taxable parcels of land within the Meridian area of the District to pay for the cost of vector surveillance and control of mosquitoes on those lands; and

**WHEREAS**, Resolution No. 08-08-96 (hereinafter **THE ORIGINAL RESOLUTION**) provided that the assessment for any given year shall not exceed \$45.00 per parcel, and

**WHEREAS**, the **ORIGINAL RESOLUTION** provided that the assessment could continue for every fiscal year after 1996-1997, so long as the vectors remain in existence, and

**WHEREAS**, **THE BOARD** finds and expressly determines that vectors, and in particular, mosquitoes, remain in existence in the Meridian area and that the assessment established by the **ORIGINAL RESOLUTION** shall continue for such area, and

**WHEREAS**, the boundaries of the area on which said assessment is to be levied, generally, is described as follows:

“Beginning at a point on the centerline of West Butte road, wherein it intersects the centerline of South Butte Road, which said point lies near the Southeast corner of the Northeast quarter of Section 14, Township 15 North, Range 1 East, M.D.B.&M., thence from said point of beginning running along the centerline of West Butte Road in a Northwesterly direction to a point in said centerline that intersects the centerline of Pass Road, which point lies near the Northwest corner of Section 5, Township 15 North, Range 1 East; thence West along the centerline of said Pass Road to its intersection with the centerline of the Sacramento River and said Pass

Road; thence following the southerly meander of the centerline of the Sacramento River Southerly along said center of Sacramento River, following the meanderings thereof, to the intersection of said center of following the meanderings thereof, to the intersection of said center of Sacramento River with Southerly line, projected Westerly, of Tisdale By-Pass, near the Northwest corner of Section 36, Township 14, North, Range 1 East M.D.B.&M.; thence Easterly along said Southerly line of Tisdale By-Pass and the Easterly and Westerly projection thereof to the intersection of the Easterly line of Sutter By-Pass near the Northeast corner of Section 34, Township 14 North, Range 2 East; thence Northwesterly along said Easterly line of said Sutter By-Pass to the point of beginning.

All points of reference are as they existed in 1994.

A map generally depicting the area on which said assessment is to be levied is attached hereto labeled **EXHIBIT "A"** and incorporated herein as if set forth in full, and

**WHEREAS, THE BOARD** finds and expressly determines that the levying of an assessment for 2024-2025 is authorized by the provisions of California Constitution Article XIII D, Section 5(a), and Health & Safety Code, Section 2084, and

**WHEREAS, THE BOARD** finds and expressly determines that an assessment for the 2024-2025 fiscal year in the amount of \$37.88 per parcel is necessary and appropriate as an assessment for the cost of vector surveillance and control of mosquitoes in the lands being assessed.

**NOW, THEREFORE, BE IT RESOLVED AND ORDERED** by the **BOARD OF TRUSTEES** of the **SUTTER-YUBA MOSQUITO and VECTOR CONTROL DISTRICT** that there is hereby levied an assessment of \$37.88 per parcel for all taxable parcels of land within the afore-described boundaries of the **SUTTER-YUBA MOSQUITO and VECTOR CONTROL DISTRICT** for fiscal year 2024-2025, pursuant to the provisions of Health & Safety Code, Section 2084, which assessment shall be collected in the same manner as County property taxes.

**BE IT FURTHER RESOLVED AND ORDERED** that the assessment herein imposed shall be collected by the Sutter County Tax Collector in the same manner as property taxes and the District Manager for this purpose is directed to lodge copies of this Resolution with the County Auditor and County Tax Collector and to coordinate in a timely fashion with said County officials to insure that said assessment appears on the 2024-2025 property tax bills.

**BE IT FURTHER RESOLVED AND ORDERED** that the assessment shall be adjusted annually (not to exceed \$45.00 per parcel) for every fiscal year so long as vectors remain in existence.

**WE HEREBY CERTIFY** that the above and foregoing Resolution of the **BOARD OF TRUSTEES** of the **SUTTER-YUBA MOSQUITO and VECTOR CONTROL DISTRICT** was duly and regularly introduced, passed and adopted by **THE BOARD** at a regular meeting held on June 13<sup>th</sup>, 2024.

**RESOLUTION 06-13-24A**

**Resolution of the Board of Trustees of the Sutter-Yuba Mosquito & Vector Control District Recognizing Additional Duties and Responsibilities for the District Vector Ecologist and Approving a Temporary Salary Increase for a Limited Period of Time.**

WHEREAS, the Sutter-Yuba Mosquito & Vector Control District (District) employs an Entomologist as a department head, who conducts a broad-scale program to collect data on mosquito abundance and detect mosquito-borne viruses, and produce data visualizations in spreadsheets and graphs,

WHEREAS, the District Entomologist is responsible for and administrates insecticide efficacy and resistance testing through field trials and bottle bio-assays,

WHEREAS, the District Entomologist is responsible for and administrates deployment of specialized traps to detect invasive *Aedes* mosquitoes,

WHEREAS, the District employs an Entomologist to implement and oversee this program, supervising subordinate employees to accomplish the District's program mission,

WHEREAS, the District has a vacancy at the Entomologist position and Mr. Michael Samay, currently employed as Vector Ecologist Step 5 is willing to serve as an Entomologist on a temporary basis;

NOW THEREFORE BE IT RESOLVED, that the Sutter-Yuba Mosquito & Vector Control District Manager may temporarily appoint Michael Samay as an interim Entomologist. The Board further approves a 10% increase in salary to Mr. Samay, beginning June 1, 2024 and continuing for as long as the District Manager authorizes the temporary position.

**RESOLUTION 06-13-24B**

**IN GRATEFUL RECOGNITION OF MERVIN HUNT FOR 36 YEARS  
OF SERVICE TO THE SUTTER-YUBA MOSQUITO & VECTOR  
CONTROL DISTRICT**

SUBMITTED BY: Board of Trustees, SYMVCD

**WHEREAS**, Mervin Hunt served the Sutter-Yuba Mosquito & Vector Control District for 36 years, from April 1988 through May 2024; and

**WHEREAS**, Mervin Hunt entered employment with the SYMVCD as a Mosquito Control Technician and rose to the position of General Foreman, serving the District in that position for over 5 years, from October 2018 through May 2024; and

**WHEREAS**, Mervin Hunt distinguished himself in all his professional duties through his integrity, honesty, leadership, and personnel management;

**THEREFORE, BE IT RESOLVED** that the Sutter-Yuba Mosquito & Vector Control District recognize and appreciate Mervin Hunt's many years of excellent service to the District.
